 8 AM to 3:30 PM on Saturday  
 Closed Sundays and Holidays

### Low Shed Treatments

Special shampoos and intensive work with special brushes can be used to remove excess hair and reduce shedding. Low shed is not NO shed, but reduces it significantly for about 4 weeks. Add to a premium bubble bath for \$20.

### Standard Bubble Baths

A standard bubble bath includes bathing with our unique Hydrosurge Bathing System, a pedicure (nail trim), ear cleaning, and the anal glands will be expressed if needed or requested. We will dry and lightly brush out the coat. (Does not include hair cutting, shaving, styling, mat removal, or thinning/stripping/low-shed treatments.)

### Frequent Premium Bather Program

If you plan to have your pet bathed at least once per month, you can purchase 5 premium baths and get your 6th premium bath for free. No cards to lose or keep in your wallet - just bring your pet and we print receipts and track your visits for you. Must pre-pay for 5 baths and use the 6th bath within 6 months of the purchase date.

### Premium Bubble Baths

A premium bubble bath includes all the services of a standard bath, plus a deep scrub and massage, hand drying and fluffing, extended brushing, trimming of the foot pads and sanitary areas if needed, and light mat removal (2-3 localized mats). Additional fees apply for moderate localized mat removal (\$5-\$20). Bathers cannot remove heavy or widespread matting which requires shaving the body.

## Pampered Pet Playschool Daily Schedule:

- Small Dog Playtimes: 9-10 AM and 2-3 PM
- Large Dog Playtimes: 10-11 AM and 3-4 PM

Please arrive at least 10 minutes prior to your pet's play session so they can get settled and enter playtime with the other dogs. When not in the playroom dogs have a private room where they can relax and rest. Our playtimes are very active and the dogs are generally ready to take their break between sessions! We will feed your dog lunch during the mid-day break if you would like to bring it.

## Daycare Full Day vs Half Day:

Your pet is welcome for a full day or half day of daycare. Pets picked up before 1 PM or dropped off after 11 AM will only be charged for a half day.

## Staff Meeting Days:

We meet with our staff twice per month in order to keep current in veterinary medicine and provide the best care possible to your pets. On staff meeting days the afternoon playtime sessions are cancelled and all daycare is charged as a half day. Your pets is welcome to play in the morning sessions as usual and stay in their room in the afternoon until you pick them up. If you would like to know which days staff meetings are scheduled, please call and we will be happy to check the calendar for you.

## Daycare Holiday Schedule:

Due to the large number of pets boarding during the holidays, daycare is generally limited for several days around major holidays, including New Years, Memorial Day, 4<sup>th</sup> of July, Labor Day, Thanksgiving, and Christmas. A holiday schedule will be posted on the front doors several weeks before each holiday. Please call in advance if you have questions.

## Baths with Daycare:

Dogs may be bathed on a day that they are here for daycare. *Please make an appointment for the bath in advance.* Pets will play in their morning session and then be bathed. We recommend skipping their afternoon playtime (half day charge) to allow them to dry and avoid getting dirty and smelly again while still damp from their bath.
